Maymester Australia and New Zealand 2018
+ Fiji: Ecotourism and Sustainability 2018

The following information is provided only as an estimate of costs associated with this particular study abroad program combination offered through Discover Abroad with the University of Georgia.

A non-refundable commitment deposit of $300 for each program (paid toward the program fees for those programs) will be required after you are accepted into each program, due within one week of acceptance. The remainder of the program fees, along with your full UGA Summer 2018 tuition and UGA fees, will be billed to your UGA student account after registration and due to be paid in-full no later than April 21, 2018.

Program fee: $3790
The program fee includes accommodations, international health insurance, in-country ground transportation, and roughly 85% of meals. The program fee also includes unique activities such as snorkeling in the Great Barrier Reef, guided hikes, a village homestay, and more. The program fee does not include UGA tuition and fees, course materials, or airfare.

Tuition and UGA fees: $3410
This is the amount charged to undergraduate students through the University of Georgia who register for only the courses associated with the Maymester and Fiji programs for the entirety of Summer 2018. Students who register to take additional courses at UGA during Summer 2018 or students who are part of a graduate or professional program will be assessed additional tuition and fees.

This cost represents a savings for both in-state ($322 savings) and out-of-state ($5902 savings) students.

Non-UGA students who apply for admission as a study abroad transient student for Summer 2018 will pay a $60 application fee and an additional $250 fee if their home institution is not within the SEC or USG network.

Airfare: ~$2750
This cost includes round-trip airfare from Atlanta, GA. Students participating in this program will be presented with an optional group booking which includes only international flights.

Course materials: ~$130

Personal spending: ~$280
To account for meals not included in the program fee as well as money for personal necessities including laundry and Wi-Fi, we recommend $10 per day. Other optional personal activities not provided as part of the program fee are all additional costs such as scuba diving (~AU$180 for a discover dive and ~AU$120 if PADI certified, with equipment included), Sydney bridge walk (~AU$280), bungy jumping (~NZ$270), etc. Please note that these optional personal activities are not covered under the international health insurance purchased by Discover Abroad on behalf of students. Discover Abroad does specifically condone activities outside of the program itinerary.
