

Discover Abroad: Fiji: Ecotourism and Sustainability

The following is a full explanation of estimated costs associated with this study abroad program.

A nonrefundable commitment deposit of \$300 will be required after you are accepted into the program, *due within one week of acceptance*. This deposit will be subtracted from the total program fee. The remainder of the program fee, tuition, and UGA fees will be billed to your UGA student account and *due by April 22, 2017*. Note that this is prior to the Bursar's deadline for Maymester/Summer 2017.

Program fee: \$795

The program fee includes all accommodations, international health insurance, in-country ground transportation, and 100% of meals. The program fee also includes unique activities such as snorkeling in Fijian coral reefs and a Fijian village homestay. The program fee *does not include* UGA (Summer) tuition, UGA fees, or airfare.

Tuition and UGA fees: \$1,484*

*This cost estimate is based on combined information from Summer 2016 and Spring 2017 since costs for Summer 2017 are not yet available.

Tuition is billed at an hourly rate of \$312*/credit hour for ALL undergraduate students, totaling \$936 for courses associated with this study abroad program. Graduate and professional students will pay rates associated with their programs. For Georgia residents attending a Georgia school, HOPE and Zell Miller scholarships apply to tuition in the same way that they would apply for on-campus courses. The following fees will be assessed for every student at a minimum (student attending a Maymester program will not pay these fees twice): UGA Special Institutional fee \$450, ConnectUGA fee \$20, Green fee \$2, and Technology fee \$76. Please refer to the UGA Bursar's website for the most up-to-date tuition and UGA fee amounts. Click here for tuition and fee schedules and the mandatory fee policy: <http://www.bursar.uga.edu/>

Non-UGA students must apply for admission to UGA as a transient student after acceptance to the Summer Fiji program. There is a \$60 UGA admissions application fee. Additionally, if you are a transient student and your home institution is not in the SEC network or the University System of Georgia, there is an additional \$250 transient fee.

Airfare: ~\$1,600

This includes round-trip airfare from Atlanta, GA to Nadi, Fiji. An optional group flight will be arranged for those students who are attending a Maymester program. The cost associated with adding Fiji to the Maymester airfare is between \$200 and \$500.

Personal spending: ~\$80

To account for meals not included in the program fee as well as money for personal necessities including laundry and Wi-Fi, we recommend \$10/day. Other optional personal activities not provided as part of the program fee are all additional costs. Please note that these optional personal activities are not covered under the international health insurance purchased by Discover Abroad on behalf of students and Discover Abroad does not condone any of these activities.
