Winter Break Australia 2017-2018

The following information is provided only as an estimate of costs associated with this particular study abroad program offered through Discover Abroad with the University of Georgia.

A non-refundable commitment deposit of $300 (paid toward the program fee) will be required after you are accepted into the program, due within one week of acceptance. The remainder of the program fee, along with your full UGA Spring Semester tuition and UGA fees, will be billed to your UGA student account after registration and due to be paid in-full prior to departure for the program, no later than December 13, 2017.

Program fee: $2695
The program fee includes all accommodations, international health insurance, in-country ground transportation, and roughly 80% of meals. The program fee also includes unique activities such as snorkeling in the Great Barrier Reef, guided hikes, and more. The program fee does not include UGA tuition and fees, course materials, or airfare.

Tuition and UGA fees: $0 - $3435
This is the amount charged to undergraduate students through the University of Georgia who register for only the courses associated with the Winter Break Australia program for the entirety of Spring 2018. Students who register to take additional courses at UGA upon their return to the US or students who are part of a graduate or professional program will be assessed additional tuition and fees.

For students already planning to take a full course load (over 6 credit hours) at UGA during the Spring 2018 semester, the additional cost in UGA tuition and fees for adding the Winter Break Australia program is $0.

Non-UGA students who apply for admission as a study abroad transient student for Spring 2018 will pay a $60 application fee and an additional $250 fee if their home institution is not within the SEC or USG network.

Airfare: ~$2500
This cost includes round-trip airfare from Atlanta, GA to Australia. Students participating in this program will be presented with an optional group booking which includes only international flights.

Course materials: ~$85

Personal spending: ~$230
To account for meals not included in the program fee as well as money for personal necessities including laundry and Wi-Fi, we recommend $10 per day. Other optional personal activities not provided as part of the program fee are all additional costs such as scuba diving (~AU$180 for a discover dive and ~AU$120 if PADI certified, with equipment included), Sydney bridge walk (~AU$280), etc. Please note that these optional personal activities are not covered under the international health insurance purchased by Discover Abroad on behalf of students. Discover Abroad does specifically condone activities outside of the program itinerary.
