The following information is provided only as an estimate of costs associated with this particular study abroad program offered through Discover Abroad with the University of Georgia.

A non-refundable commitment deposit of $300 (paid toward the program fee) will be required after you are accepted into the program, due within one week of acceptance. The remainder of the program fee, along with your full UGA Spring Semester tuition and UGA fees, will be billed to your UGA student account after registration and due to be paid in-full prior to departure for the program, no later than January 15, 2018.

**Program fee: $995**
The program fee includes all accommodations, ground transportation, and roughly 80% of meals. The program fee also includes unique activities such as ocean kayaking/snorkeling, guided hikes, and more. The program fee does not include UGA tuition and fees or airfare.

**Tuition and UGA fees: $3971**
This is the amount charged to undergraduate students through the University of Georgia who register for only the courses associated with the Spring Break Hawai‘i program for the entirety of Spring 2018. Students who register to take additional courses at UGA during Spring 2018 or students who are part of a graduate or professional program will be assessed additional tuition and fees.

For students already planning to take a full course load (over 6 credit hours) at UGA during the Spring 2018 semester, the additional cost in UGA tuition and fees for adding the Spring Break Hawai‘i program is $0.

**Airfare: ~$1000**
This cost includes round-trip airfare from Atlanta, GA to Hawai‘i. Students participating in this program will be presented with an optional group booking.

**Personal spending: ~$100**
To account for meals not included in the program fee as well as money for personal necessities including laundry and Wi-Fi, we recommend about $10 per day. Any other optional personal activities not provided as part of the program fee are all additional costs. Discover Abroad does specifically condone activities outside of the program itinerary.
