The following information is provided only as an estimate of costs associated with this particular study abroad program offered through Discover Abroad with the University of Georgia.

A nonrefundable commitment deposit of $300 (paid toward the program fee) will be required after you are accepted into the program, due within one week of acceptance. The remainder of the program fee, along with your full UGA Summer tuition and UGA fees, will be billed to your UGA student account after registration, and the total is due to be paid in-full no later than May 14, 2021.

Program fee: $895
The program fee includes accommodations, international health insurance, in-country ground transportation, and 95% of meals. The program fee also includes unique activities such as snorkeling in the Pacific, a village homestay, and more. The program fee does not include UGA tuition and fees or airfare.

Tuition and UGA fees: $1301
This is the amount charged to undergraduate students through the University of Georgia who register for only the courses associated with the Fiji program for the entirety of Summer 2021. Students who register to take additional courses at UGA (including additional Discover Abroad programs) or students who are part of a graduate or professional program will be assessed additional tuition and fees.

If students choose to combine this program with either the Maymester Australia and New Zealand program or the Summer Australia: Global Health program, UGA fees will not be assessed twice. The tuition-only portion of this cost for this program is $978.

Non-UGA students who apply for admission as a study abroad transient student for Summer 2020 will pay a $70 application fee and an additional $250 fee if their home institution is not within the SEC or USG network.

Airfare: ~$1500 (plus cost of flight from originating airport to LAX and return)
Discover Abroad does not arrange airfare for students participating in only the Fiji: Ecotourism and Sustainability program. The estimate provided represents the cost of round-trip airfare from Los Angeles (LAX) to Nadi, Fiji (NAN), where the program begins and ends. Students will be responsible for arranging their own international and domestic flight package, for which costs may vary significantly.

Personal spending: ~$50
To account only for personal spending on souvenirs, supplementary food, and laundry.
