Spring Semester Hawai‘i, Great Smoky Mountains, England, and Scotland 2021

The following information is provided only as an estimate of costs associated with this particular study abroad program offered through Discover Abroad with the University of Georgia.

A nonrefundable commitment deposit of $500 (paid toward the program fee) will be required after you are accepted into the program, due within one week of acceptance. The remainder of the program fee, along with your full UGA Spring tuition and UGA fees, will be billed to your UGA student account after registration, and the total is due to be paid in-full no later than January 11, 2021.

Program fee: $6995
The program fee includes all accommodations except for program breaks (like spring break), international health insurance, in-country ground transportation, and roughly 75% of meals excluding breaks. The program fee also includes unique activities such as stargazing on Mauna Kea, guided hikes, and more. The program fee does not include UGA tuition and fees, course materials, or airfare.

Tuition and UGA fees: $5492*
This is the amount charged to undergraduate students through the University of Georgia who register for only the courses associated with the Spring Semester program for the entirety of Spring Semester. Students who register to take additional courses at UGA during this term or students who are part of a graduate or professional program will be assessed additional tuition and fees.

This cost represents a savings for both in-state (~$548 savings) and out-of-state (~$10,068 savings) students over tuition and UGA fees for a normal, full-time UGA semester.

* Non-UGA students who apply for admission as a study abroad transient student for this term will pay a $70 application fee and an additional $250 fee if their home institution is not within the SEC or USG network.

Group Airfare: $1500 + cost of flight from originating airport to LIH (Lihue) and return from HON (Honolulu)
This cost is for the optional group flight coordinated by Discover Abroad that includes inter-island flights within Hawaii and round-trip airfare between ATL (Atlanta) and LHR (London Heathrow). All students are responsible for arranging their own transportation to LIH and from HON. Students may opt to procure their own international and domestic flight package, for which costs may vary significantly.

Course materials: ~$130

Personal spending: ~$750
To account for meals not included in the program fee and personal necessities such as laundry and Wi-Fi. Other optional personal activities not provided as part of the program fee are all additional costs such as scuba diving or other adventure sports, etc. Please note that these optional personal activities may not be covered under the international health insurance purchased by Discover Abroad on behalf of students or your personal health insurance. Discover Abroad does not specifically condone activities outside of the program itinerary.
